

UI/UX DESIGNER

Who we are and what we do:

At **Avataris** (<https://www.avataris.ai>), we're not just building AI - we're bringing digital humans to life. Our cutting-edge, photorealistic AI avatars are redefining customer interactions, making websites, apps, and digital platforms more engaging, personal, and intelligent. Imagine virtual assistants that don't just answer questions but connect with users on a human level - speaking multiple languages, adapting to emotions, and creating trust like never before.

Our remote-first team of AI, Unity, and avatar experts is shaping the future of digital communication, from hyper-realistic chatbots to Metaverse-ready AI agents. If you're passionate about pushing technology to new frontiers and creating experiences that blur the line between digital and reality, **you'll fit right in.**

Your tasks:

- Design and develop intuitive, visually stunning user interfaces for digital human-based AI agents.
- Focus on user experience (UX) and usability for different devices (2D/3D/VR/AR)
- **Design of menu, settings, character customization tools, etc.**
- If possible, work with Unity 3D and its UI system
- Work on special effects and animated UI
- Creating promotion videos (Adobe Premiere)
- Design logos, icons, buttons, and vector-based illustrations for our AI interfaces.
- Help shape our website and digital branding to match our cutting-edge technology.

Your skills/experience:

Must have:

- Strong UI/UX design experience, particularly in the area of interactive user-interfaces, e.g. in apps, games and SaaS solutions.
- Technical interest, fast learning, and precision in design.
- Proficiency with typical artist tools including AI tools (Adobe, etc.)
- Strong understanding of user-centric design, accessibility, and usability principles.
- A problem-solving mindset and proactive approach.

Nice-to-have:

- Experience with Unity assets and UI components.
- Background in graphic design, UX, UI, or usability.
- Experience in designing interfaces for AI, virtual assistants, digital avatars and games.
- Familiarity with AI-driven content generation tools.
- **Hands-on experience with Unity UI/UX systems** (or willingness to learn quickly).
- Strong English communication skills (German is a plus).

Why Join Our Cutting-Edge AI Startup?
